EC Certificate **Factory Production Control (FPC)**

2273 - CPR - 0073

In compliance with Regulation 305/2011/EU of the European Parliament and of the Council of 9 March 2011 (the Construction Products Regulation or CPR) it has been stated that the construction product:

Structural Components for Steel Structures

Harmonised	Type / Execution Class of the Construction Product	Declaration Method
BS EN 1090-1: 2009 + A1:2011	Load bearing and welded structural steel components up to EXC 4 according to BS EN 1090-2:2008+A1:2011	1, 2, 3a and 3b table A.1 of BS EN 1090-1: 2009 + A1:2011

placed on the market by

John Reid & Sons (Strucsteel) Ltd

and produced in the factory(ies)

Reid Street, Christchurch, Dorset, BH23 2BT

is submitted by the manufacturer to the initial type-testing of the product, a factory production control and to the further testing of samples taken at the factory in accordance with a prescribed test plan and that the notified body No. 2273 - Steel Construction Certification Scheme Ltd - has performed the initial inspection of the factory and of the factory production control and performs the continuous surveillance, assessment and approval of the factory production control.

Attestation

This certificate attests that all provisions concerning the attestation of factory

production control described in Annex ZA of the standard:

BS EN 1090-1: 2009 + A1:2011 were applied.

Date of first issue

13 December 2013

Date of this issue

13 December 2013

Date of next Surveillance

by 12 December 2014

Validity Period

This certificate remains valid as long as the conditions laid down in the harmonised standard in reference or the manufacturing conditions in the

factory or the FPC itself are not modified significantly.
